## CLINTON POLICE DEPARTMENT UPDATE

### Snow Removal from Sidewalks

So that school children and adult pedestrians can find safe passage on our sidewalks, Ordinance 115-1 requires that the owner or tenant of property abutting or adjacent to a sidewalk must remove all snow and ice from that sidewalk or public right-of-way within 12 hours of daylight from the time that the snow or frozen precipitation ceased to fall or accumulate.

### Winter Off-Street Public Parking when Snow is Forecast

Overnight off-street public parking is available in the Water Street Lot, the Lower Center Street Lot, the Municipal Building Lot and in authorized spaces in the Firehouse Parking Lot. Please remember however that these parking lots are timed lots and your vehicles must be moved to facilitate snow removal. If you have any questions please ask a police officer prior to making any assumptions regarding parking in these lots.
